- CARB 2 certification
- Available with our preferred day delivery commitment

We're delighted to launch Elite XL: a strong, hard wearing and environmentally thoughtful 12mm laminate range which is exclusively available from Furlong Flooring.

Elite XL comes with an AC5 rating, meaning the range is highly durable while also being suitable for commercial settings. The range is available in 8 on-trend decors that have been specifically designed with the UK market in mind.

Offering unbeatable value for money, this high-quality range also features the Uniclic® click system - the market leading click system for quicker and simpler installation.

Laminate ranges are fast becoming a flooring favourite due to their low impact on the environment. Elite XL, which uses fast growing, non-endangered wood species, will be a strong choice for those looking for an eco-friendly flooring solution.

### Featuring the market leading click system

The Uniclic® click system is seen as one of the best click locking systems on the market. The system offers many benefits, including:

- Quicker and simpler installation
- Angle-angle installation as well as side installation
- Preferred by fitters
