

Urban - meeting all of your laminate requirements

We're delighted to be adding Urban, an 8mm laminate, to our range of hard-flooring. Urban is the only 8mm laminate to deliver on price, decors and availability while also boasting the market leading Uniclic® click system for quicker, simpler installation.

Available in 8 on-trend decors, Urban offers a hard-wearing and clean finish and is suitable for a range of different rooms and environments. Urban can handle most subfloors and is unaffected by temperature fluctuations making it perfect for a range of domestic and commercial settings.

This new laminate range has also achieved the Blue Angel environment certification which sets high standards for environmentally friendly product design.

With unrivalled levels of stock, Urban offers great value for money and will be available with our preferred day delivery commitments. Resistant to stains, the range also comes with a 15-year domestic and 10-year commercial warranty.

Featuring the market leading click system

The Uniclic® click system is seen as one of the best click locking systems on the market. The system offers many benefits, including:

- Quicker and simpler installation
- Angle-angle installation as well as side installation
- Preferred by fitters
